

FOR IMMEDIATE RELEASE

1.oak Financial Celebrates B Corp Certification with Community Back-to-School Drive

NORFOLK, VA. – July 24, 2026 - 1.oak Financial is celebrating its recent certification as a B Corporation by giving back to the Hampton Roads community through a Back-to-School Drive on Friday, July 24.

The event is part of the Back-to-School Drive Challenge hosted by VOLUNTEER Hampton Roads and will benefit Communities In Schools of Hampton Roads, helping local students with essential supplies as they prepare for the upcoming school year.

Community members, local businesses, clients, friends, and neighbors are invited to join 1.oak Financial in the challenge by donating new school supplies or volunteering to help organize and prepare collected items.

“Becoming a Certified B Corporation is an exciting milestone for 1.oak Financial, and we wanted to celebrate in a way that reflects the kind of company we strive to be,” said Mike Milligan, CEO and Founder of 1.oak Financial. “Supporting local students gives our team and community an opportunity to come together and make a meaningful impact.”

The 1.oak Financial team also has its sights set on a friendly little competition, collecting as many supplies as possible and bringing home the win in the Back-to-School Drive Challenge.
